45th ANNUAL CONGRESS AND INSTRUCTIONAL COURSE
30 – 31 AUGUST 2014
THE VINEYARD HOTEL
NEWLANDS, CAPE TOWN

SCIENTIFIC PROGRAM

SATURDAY 30 AUGUST 2014

0730-0750	Delegate Registration	
0750-0800	Welcome and Announcements	
SESSION 1	CHAIR: DR ERICH MENNEN	
0800-0810	Closed traumatic Rupture of EDC and EIP of the index finger At Musculotendinous Junction	T Sefeane
0810-0820	Fragment specific fixation of the distal radius: post op experiences	M Thiar
0820-0830	Percutaneous fixation in patients with delayed presentation and established non-union scaphoid fractures	M Carides
0830-0845	Useful tips in the reconstruction of Congenital anomalies of the Hand	Dr Raja Sabapathy
0845-0850	Discussion	
0850-0900	The Red Cross Children's Hospital experience with the use of the Evans Bilobed Flap in the management of Radial Club Hand	S L Carter
0900-0910	An investigation to establish the flexor tendon rehabilitation protocol use amongst Occupational Therapists in South Africa	J Venter
0910-0920	Pisiform dislocations: A case report and radiological study to assist in making the diagnosis	I Koller
0920-0935	Surgical technique and evaluation at long follow-up of a cartilage autograft from rib at wrist & hand surgery	Dr Laurent Obert
0935-0940	Discussion	
0940-0950	South African Occupational Therapy Graduates: how handy are they?	K van Stormbroek
0950-1000	Review of Two and Three Corner Mid Carpal Fusions	D North
1000-1030	TEA	

SESSION 2 CHAIR : DR MARTIN WELLS

1030-1045 1045-1050	Challenging thumb reconstructions Discussion	Dr Raja Sabapathy
1050-1100	Wrist arthroscopy in conjunction with fracture fixation with a volar plate	V Socishe
1100-1110	Occupational Therapy Upper Limb Assessment Practices: Do We Address Aspects of Activity and Participation?	S de Klerk
1110-1120	Surface Replacement Proximal Interphalangeal joint (SR-PIPJ) arthroplasty – A CASE SERIES	P W Jordaan
1120-1135 1135-1140	Sports Injuries of the Hand and Wrist Discussion	Dr William Geissler
1140-1150	A modified algorithm for the treatment of acute scaphoid fractures and scaphoid non-unions	T D Pikor
1150-1200	An overview of the management and treatment outcomes of non-specific musculoskeletal wrist pain	T Corbishley
1200-1215 1215-1220	Fingertip reconstruction with occlusive dressing: Clinical results and biological analysis of the dressing's content Discussion	Dr Laurent Obert
1220-1235 1235-1240	Tendon transfers - Radial nerve Discussion	Dr Raja Sabapathy

1240-1345 LUNCH

SESSION 3 CHAIR : DR JOHAN VAN DER WESTHUIZEN

1345-1355	A Retrospective evaluation of the conservative treatment of Thoracic Outlet Syndrome	N Hendricks
1355-1405	A Prospective, Randomised Controlled Study to determine the Radiological and Functional outcomes of Distal Radius Fractures using PEEK plate compared to Volar Locking Plate	N Rogers
1405-1420 1420-1425	How do I approach secondary reconstruction following Trauma? Discussion	Dr Raja Sabapathy
1425-1435	A simplified lateral hinge approach to the proximal interphalangeal joint	T McGuire
1435-1450 1450-1455	Induced membrane technique masquelet technique to treat bone defect at upper limb level - Prospective multicentre evaluation Discussion	Dr Laurent Obert
1455-1505	A retrospective Quantitative Audit Regarding Hand Injuries and Return to Work Outcomes	I Vorster
1505-1515 1515-1525	Acute Hand Infection and HIV Soft tissue complications following PIPJ Replacements – Surgical management and outcomes	S van Deventer P W Jordaan
1525-1535	Biological Scapho-lunate ligament reconstruction with SLAM technique-our experience and early results	K Strauss
1535-1550 1550-1555	Free tissue transfers in the upper extremity Discussion	Dr Raja Sabapathy

1555-1630 **TEA**

1630-1730 Annual General Meeting (members only)

1900 Wine Tasting in the Foyer of the Conference Venue
2000 Congress Dinner

SUNDAY 31 AUGUST 2014

0730-0750 Delegate Registration

SESSION 4 CHAIR : DR NIKKI VAN DER WALT

0800-0815 Current Concepts Management of Distal radius Fractures Dr William Geissler
0815-0820 Discussion

0820-0835 Distant pedicled flaps in the upper limb – how to improve
the outcomes? Dr Raja Sabapathy
0835-0840 Discussion

0840-0850 Recipient of Stratmed prize – What I learnt at FESSH meeting Dr Martin Wells

0850-0920 How to publish Prof U Mennen

0920-0935 Principles of soft tissue cover in the upper limb Dr Raja Sabapathy
0935-0940 Discussion

0940-0955 Tips /Tricks Management of Wrist Arthritis Dr William Geissler
0955-1000 Discussion

1000-1040 **TEA**

SESSION 5 CHAIR : DR ROGER NICHOLSON

1040-1055 Principles in the management of the mutilated upper limb Dr Raja Sabapathy
1055-1100 Discussion

1100-1110 Recipient of Macromed Prize – What I learnt at FESSH meeting Dr Michael Solomons

1110-1125 Post burns hand contractures Dr Raja Sabapathy
1125-1130 Discussion

1130-1140 Recipient of the AFFORDABLE MEDICAL ANNUAL AWARD Dr P C Pelser

1140-1230 AC BOONZAIR LECTURE Dr Raja Sabapathy
Looking back the last 25 years - the lessons learnt

1230-1330 **LUNCH**

SESSION 6 CHAIR: DR MICHAEL SOLOMONS

1330-1415	To err is human: ethical & legal implications	Prof. Keymanthri Moodley
1415-1430	Electrical burns of the Hand	Dr Raja Sabapathy
1430-1435	Discussion	
1435-1450	Open and Arthroscopic Management of Carpal Instability	Dr William Geissler
1450-1455	Discussion	
1455-1510	Finger tip replantatlons	Dr Raja Sabapathy
1510-1515	Discussion	
1520	Closure of Congress
