

INTERNATIONAL WRIST ARTHROSCOPY COURSE

TRAINING ON ANATOMICAL SPECIMEN

**6-7 FEBRUARY 2026
CAPE TOWN, SOUTH AFRICA**

INTERNATIONAL AND LOCAL EXPERTS

COURSE DIRECTORS:

Jan-Ragnar Haugstvedt (Norway) • Martin Wells (South Africa)
Pieter Jordaan (South Africa) • Ian Koller (South Africa)

FACULTY:

Jan-Ragnar Haugstvedt (Norway) • Ajmal Ikram (South Africa) • Pieter Jordaan (South Africa)
Ian Koller (South Africa) • Adriaan Smit (South Africa) • Martin Wells (South Africa)

COURSE SUPERVISOR:

Jan-Ragnar Haugstvedt (Norway)

The High Quality course will have two days of training, both theoretical and practical. During practical sessions there will be two participants per table each supervised by an international expert. Each table is equipped with a high-definition video system connected to a 2.4mm scope for wrist arthroscopy and to accommodate the required instrumentation.
