1140-1145	Discussion	
1145-1155	The Reverse Posterior Interosseus Artery flap: Revisiting the blood supply and axis for a simplified surgical technique	Suzanne Kuhn
1155-1200	Discussion	
1200-1210	You can't improve what you don't know	Hannarie Le Roux
1210-1215	Discussion	
1215-1235	Building a strategy for the complete AIS A patient	Natasha van Zyl
1235-1240	Discussion	
1240-1255	CMC1 total joint replacement: indications, contra-indications and radiographic evaluation	Joris Duerinckx
1255-1300	Discussion	
1300-1400	Lunch	

Session 3: Chair: Dr Ian Koller and Dr Cynthia Sathekga		
1400-1410	Patient journey mapping: learning from the experiences of patients receiving hand-injury care in Gauteng	Tsakane Sono
1410-1415	Discussion	
1415-1425	Poor predictability of arthroscopic assessment in diagnosing unstable foveal TFCC tears	Adrian Smit
1425-1430	Discussion	
1430-1445	Median nerve injuries	Jayme Bertelli
1445-1450	Discussion	
1450-1500	Management of trigger finger- A comparative study	Nicole Mottay-Bisram
1500-1505	Discussion	
1505-1515	Linburg Comstock anomaly and the development of dynamic tripod pencil grasp in early foundation phase learners	PC Pelser
1515-1520	Discussion	
1520-1535	Spinal cord injury	Jayme Bertelli
1535-1540	Discussion	
1540-1555	CMC1 failed total joint replacement: rescue strategies	Joris Duerinckx
1555-1600	Discussion	
1600-1610	Does restoration of carpal height and centre of rotation predict results in total wrist arthroplasty	Kim Laubscher
1610-1615	Discussion	
1615-1630	Feedback on the SASSH Travelling Fellowship	Megan O'Connor
1630-1700	Tea Break	
1700	Annual General Meeting (members only)	
	Venue: Crystal 1-3	
1900	Congress Dinner	
	Venue: Hussar Grill Century City	

Sunday 3 September 2023

Session 4: Chair: Prof Mike Solomons and Dr Chetan Patel

0730-0800	Registration	
0800-0815	Tendon transfers as part of peripheral nerve practice	Henk Giele
0815-0820	Discussion	
0820-0835	Radial nerve injuries	Jayme Bertelli
0835-0840	Discussion	
0840-0855	Outcomes for nerve transfers to reanimate grasp and pinch in mid-cervical tetraplegia	Natasha van Zyl
0855-0900	Discussion	
0900-0910	Deep infection rate resulting in reoperation for sepsis following minor hand surgery with Wide-Awake Local Anaesthesia No Tourniquet (WALANT) and field sterility in an outpatient setting	Lee Skosana
0910-0915	Discussion	
0915-0925	1st World problems, 3rd world protocols	Hannarie Le Roux
0925-0930	Discussion	
0930-0940	Charcot arthropathy of the wrist and elbow associated with cervicothoracic syringomyelia: A case report	Zamalunga Lunga
0940-0945	Discussion	
0950-0955	3 D printed Lunate Replacement for advance Kienbock's disease, Stage III b- early results	Ajmal Ikram
0955-1000	Discussion	
1000-1010	Factors Influencing Delayed Presentation of People with Septic Hand Injuries to the Groote Schuur Hospital Hand Clinic	Helen Buchanan
1010-1015	Discussion	

1015-1045	Tea Break
-----------	-----------

Session 5: Chair: Dr Ajmal Ikram and Dr Neil Kruger		
1045-1100	Brachial plexus injuries	Jayme Bertelli
1100-1105	Discussion	
1105-1115	Safe use of Electrocautery in wrist arthroscopy surgery	Adrian Smit
1115-1120	Discussion	
1120-1130	The psychological impact of hand injuries: a patient testimonial	Ilande Vorster
1130-1135	Discussion	
1135-1145	Extravasation injuries: Experience at a tertiary institution and proposed clinical approach	Waruguru Wanjau
1145-1150	Discussion	
1150-1200	Wide Awake Local Anaesthesia with No Tourniquet Performed with Bupivacaine	Alexandra Botha
1200-1205	Discussion	
1205-1215	The role of prophylactic antibiotics in zone II and zone V acute flexor tendon injury	Rihangwele Tshisikule
1215-1220	Discussion	
1220-1300	AC Boonzaier lecture	Duncan McGuire
1300-1400	Lunch	

Session 6: Chair: Dr Duncan McGuire and Dr Adriaan Smit		
1400-1415	Five year outcomes for nerve transfer surgery in tetraplegia	Natasha van Zyl
1415-1420	Discussion	
1420-1435	Dupuytren's contracture	Henk Giele
1435-1440	Discussion	
1440-1450	Prize giving for best papers	Duncan McGuire
1450-1500	Congress closure and Presidential handover	Duncan McGuire
1500	Congress closure
